MAY DAY PROGRAM IS MADE PUBLIC

Thomas R. Marshall, Former Vice-President, to Speak at Scottish Rite Consecration Exercises

SACRED BAND CONCERT AT 11

Afternoon Ceremonies Will Start at Two O'clock, Following Basket Dinner of Masons at Franklin

Franklin, Ind., April 26.—The program for the Consecration Day Exercises to be held by the Scottish Rite of Indiana at the Masonic home here on May 1, was announced today by Robert McClure, secretary of the Rite. According to present plans Thomas R. Marshall, former Vice President, will make the principal address of the day. Will J. Dobyns, general chairman of the Scottish Rite Memorial plans also will make an address. Mr. Marshall has not definitely accepted the invitation for the day but has promised to make special effort to arrange his plans to be here.

Because of the abandonment of the plan to hold special religious service at the Home on Sunday morning no request will be issued to the churches of the community to join in a union service at the Home. A sacred band concert will be given at the Home Sunday at 11 a. m., but Secretary McClure in a letter to Will W. Suckow, local chairman, said that the Scottish Rite would not request the local churches to suspend their services. He said he appreciated the spirit in which the people of Franklin are co-operating in the plans for the day.

An official statement issued today regarding the Consecration Day services says:

This will undoubtedly be the greatest Masonic day in the history of Indiana, for as you know the Ancient Accepted Scottish Rite, Valley of Indianapolis, presented to the Indiana Masonic Home this World War Memorial Building in honor of its soldier and sailor members, six hundred and seventy-six in number, who participated in the World War, and who were members of the Scottish Rite on the date of the signing of the Armistice. Our soldier and sailor members will be there. The program as tentatively agreed upon is as follows:

11:00 o'clock a. m.—Sacred Band concert.

Basket lunch on the grounds. 2:00 o'clock p. m.—Exercises conducted by Ill. William Geake, 33 deg. Deputy for Indiana.

Address.

Singing by the children of the Masonic Home and the Scottish Rite Choir and audience.

Music by the Masonic Home Orchestra, Masonic Home Band, and Indianapolis Military Band.

Special trains will leave the Indianapolis Union Station on the Pennsylvania Railroad, at 9:00 o'clock a. m. and at 11:30 o'clock a. m. returning leaving Franklin at 4:00 o'clock p. m. and 6:00 o'clock p. m. Interurban cars will leave the Terminal Traction Station, Indianapolis, every hour. Fare for the round trip from Indianapolis, both steam and interurban roads, 65c, including war tax.

Ample provision has been made for parking automobiles. Roads should be in good condition, making a delightful trip.

Remember! This is in honor of our soldiers and sailors, and the Home is erected for aged Masons, widows and orphans. As far as we know, ours is the first Valley of any Scottish Rite behind an enterprise of so great honor and service to Masons. We are depending upon you.

George M. Spiegel, Thrice Potent Master; Denton F. Billingsley, Sovereign Prince; Frank L. Laird, Most Wise Master; Ill. Jales W. Lilly, Commander-in-Chief; Robert G. McClure, Secy.

Many Masons from here are planning to attend the Consecration Day exercises at Franklin. Earl H. Payne is looking after the local arrangements. All Masons are invited, whether or not they belong to the Scottish Rite.

INGROWN TOE NAIL

TURNES OUT ITSELF

A noted authority says that a few drops of "Outgro" upon the skin surrounding the ingrowing nail reduces inflammation and pain and so toughens the tender, sensitive skin underneath the toe nail, that it can not penetrate the flesh, and the nail turns naturally outward almost over night. "Outgro" is a harmless, antiseptic manufactured for chiropodists. However, anyone can buy from the drug store a tiny bottle containing directions.
